

Locum Plastic Surgeon

The Department of Surgery (www.surgery.queensu.ca) at Queen's University is seeking a Plastic Surgeon for a locum position beginning October 2021 while recruitment for a full-time academic position occurs. The department is looking for candidates with experience and/or formal training in Breast and Micro-vascular surgery or Hand and Micro-vascular surgery, but will consider other clinical experience. The locum is for a minimum of 6 months and will terminate upon hiring for the academic position. The candidate will have completed Fellowship training in Plastic Surgery. The preferred candidate must have an excellent record of success working in a multi-disciplinary clinical environment.

Qualified applicants will hold an MD degree (or equivalent), have completed postgraduate / fellowship qualifications prior to appointment, and have or be eligible for licensure with the College of Physicians and Surgeons of Ontario and certification from the Royal College of Physicians and Surgeons of Canada.

The successful candidate will be required to collaborate with Plastic Surgeons at the Kingston Health Sciences Centre and will also participate in the Plastic Surgery call schedule. As a full time member of the Division of Plastic Surgery, Department of Surgery, the successful candidate will also be expected to contribute to the teaching, supervision and mentorship of undergraduate, graduate and postgraduate students.

Queen's University is recognized nationally for the quality of its undergraduate and graduate programs, which attract outstanding students. Queen's University is an integral part of the vibrant Kingston community in the heart of the Thousand Islands region of southeastern Ontario. It has a community spirit and amenities unmatched by any other Canadian university. The University and the region offer an outstanding academic and community environment (www.queensu.ca).

The University invites applications from all qualified individuals. Queen's is strongly committed to employment equity, diversity, and inclusion in the workplace and encourages applications from Black, racialized/visible minority and Indigenous/Aboriginal people, women, persons with disabilities, and 2SLGBTQA+ persons. All qualified candidates are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadian citizens and permanent residents of Canada will be given priority. To comply with Federal laws, the University is obliged to gather statistical information about how many applicants for each job vacancy are Canadian citizens / permanent residents of Canada. Applicants need not identify their country of origin or citizenship, however, all applications must include one of the following statements: "I am a Canadian citizen / permanent resident of Canada"; OR, "I am not a Canadian citizen / permanent resident of Canada". Applications that do not include this information will be deemed incomplete.

The review of applications will begin immediately and will continue until the position is filled. Applicants should forward a copy of their *curriculum vitae*, letter of application and the names and addresses of three referees to Dr. Ross Walker, Head, Department of Surgery, Queen's University, Victory 3, Kingston General Hospital, Kingston, Ontario, K7L 2V7, Fax: (613) 544-9174, Email: KGH.Departmentofsurgery@kingstonhsc.ca

The University will provide support in its recruitment processes to applicants with disabilities, including accommodation that takes into account an applicant's accessibility needs. If you require accommodation during the interview process, please contact the Department of Surgery at the email or fax number above.
